

# Calendar No. 631

116TH CONGRESS  
2D SESSION

# S. 1730

[Report No. 116–327]

To direct the Administrator of the National Oceanic and Atmospheric Administration to make grants to State and local governments and nongovernmental organizations for purposes of carrying out climate-resilient living shoreline projects that protect coastal communities by supporting ecosystem functions and habitats with the use of natural materials and systems, and for other purposes.

---

## IN THE SENATE OF THE UNITED STATES

JUNE 5, 2019

Ms. HARRIS (for herself, Mr. MURPHY, Mr. BLUMENTHAL, Mr. MENENDEZ, Mr. WYDEN, Mr. BOOKER, Mr. MERKLEY, Mrs. FEINSTEIN, Mr. CARPER, Mr. MARKEY, and Ms. BALDWIN) introduced the following bill; which was read twice and referred to the Committee on Commerce, Science, and Transportation

DECEMBER 15, 2020

Reported by Mr. WICKER, with an amendment

[Strike out all after the enacting clause and insert the part printed in italic]

---

## A BILL

To direct the Administrator of the National Oceanic and Atmospheric Administration to make grants to State and local governments and nongovernmental organizations for purposes of carrying out climate-resilient living shoreline projects that protect coastal communities by supporting

ecosystem functions and habitats with the use of natural materials and systems, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Living Shorelines Act  
5 of 2019”.

6 **SEC. 2. LIVING SHORELINE GRANT PROGRAM.**

7       (a) **ESTABLISHMENT.**—The Administrator shall  
8 make grants to eligible entities for purposes of—

9              (1) designing and implementing large- and  
10 small-scale, climate-resilient living shoreline projects;  
11 and

12              (2) applying innovative uses of natural mate-  
13 rials and systems to protect coastal communities,  
14 habitats, and natural system functions.

15       (b) **PROJECT PROPOSALS.**—To be eligible to receive  
16 a grant under this section, an eligible entity shall—

17              (1) submit to the Administrator a proposal for  
18 a living shoreline project, including monitoring, data  
19 collection, and measurable performance criteria with  
20 respect to the project; and

21              (2) demonstrate to the Administrator that the  
22 entity has any permits or other authorizations from  
23 local, State, and Federal government agencies nee-  
24 necessary to carry out the living shoreline project or

1 provide evidence demonstrating general support from  
2 such agencies.

3 (e) PROJECT SELECTION.—

4       (1) DEVELOPMENT OF CRITERIA.—The Admin-  
5 istrator shall select eligible entities to receive grants  
6 under this section based on criteria developed by the  
7 Administrator, in consultation with relevant offices  
8 of the National Oceanic and Atmospheric Adminis-  
9 tration, such as the Office of Habitat Conservation,  
10 the Office for Coastal Management, and the Res-  
11 toration Center.

12       (2) CONSIDERATIONS.—In developing criteria  
13 under paragraph (1) to evaluate a proposed living  
14 shoreline project, the Administrator shall take into  
15 account—

16           (A) the potential of the project to protect  
17 the community and maintain the viability of the  
18 environment, such as through protection of eco-  
19 system functions, environmental benefits, or  
20 habitat types, in the area where the project is  
21 to be carried out;

22           (B) the historic and future environmental  
23 conditions of the project site, particularly those  
24 environmental conditions affected by climate  
25 change;

(C) the ecological benefits of the project;

and

(D) the ability of the entity proposing the project to demonstrate the potential of the project to protect the coastal community where the project is to be carried out, including through—

(i) mitigating the effects of erosion;

(ii) attenuating the impact of coastal

storms and storm surge;

### (iii) mitigating shoreline flooding;

#### (iv) mitigating the effects of sea level

rise and extreme tides;

(v) sustaining, protecting, or restoring

## **the functions and habitats of coastal eco-**

~~systems;~~ or

(vi) such other forms of coastal pro-

tection as the Administrator considers ap-

~~propriate.~~

(3) PRIORITY.—In selecting living shoreline

projects to receive grants under this section, the Ad-

ministrator shall give priority consideration to a pro-

posed project to be conducted in an area—

(A) for which the President has declared,

during the 10-year period preceding the submission.

1 sion of the proposal for the project under sub-  
2 section (b), that a major disaster exists pursu-  
3 ant to section 401 of the Robert T. Stafford  
4 Disaster Relief and Emergency Assistance Act  
5 (42 U.S.C. 5170) because of a hurricane, trop-  
6 ical storm, coastal storm, or flooding; or

7 (B) that has a documented history of  
8 coastal erosion or frequent coastal inundation  
9 during that 10-year period.

10 (4) MINIMUM STANDARDS.—

11 (A) IN GENERAL.—The Administrator  
12 shall develop minimum standards to be used in  
13 selecting eligible entities to receive grants under  
14 this section, taking into account—

15 (i) the considerations described in  
16 paragraph (2); and

17 (ii) the need for such standards to be  
18 general enough to accommodate concerns  
19 relating to specific project sites.

20 (B) CONSULTATIONS.—in developing  
21 standards under subparagraph (A), the Admin-  
22 istrator—

23 (i) shall consult with relevant offices  
24 of the National Oceanic and Atmospheric  
25 Administration, such as the Office of Habi-

4 (ii) may consult with—

(I) relevant interagency councils, such as the Estuary Habitat Restoration Council;

(II) State coastal management agencies; and

(III) relevant nongovernmental organizations.

12 (d) USE OF FUNDS.—A grant awarded under this  
13 section to an eligible entity to carry out a living shoreline  
14 project may be used by the eligible entity only—

22 (e) COST-SHARING.—

(1) IN GENERAL.—Except as provided in paragraph (2), an eligible entity that receives a grant under this section to carry out a living shoreline

1 project shall provide, from non-Federal sources,  
2 funds or other resources (such as land or conserva-  
3 tion easements or in-kind matching from private en-  
4 tities) valued at not less than 50 percent of the total  
5 cost, including administrative costs, of the project.

6           (2) REDUCED MATCHING REQUIREMENT FOR  
7 CERTAIN COMMUNITIES.—The Administrator may  
8 reduce or waive the matching requirement under  
9 paragraph (1) for an eligible entity representing a  
10 community or nonprofit organization if—

11           (A) the eligible entity submits to the Ad-  
12 ministrator in writing—

13               (i) a request for such a reduction and  
14 the amount of the reduction; and

15               (ii) a justification for why the entity  
16 cannot meet the matching requirement;  
17 and

18           (B) the Administrator agrees with the jus-  
19 tification.

20           (f) MONITORING AND REPORTING.—

21           (1) IN GENERAL.—The Administrator shall re-  
22 quire each eligible entity receiving a grant under this  
23 section (or a representative of the entity) to carry  
24 out a living shoreline project—

1                             (A) to transmit to the Administrator data  
2                             collected under the project;

3                             (B) to monitor the project and to collect  
4                             data on—

5                                 (i) the ecological benefits of the  
6                             project and the protection provided by the  
7                             project for the coastal community where  
8                             the project is carried out, including  
9                             through—

10                                 (I) mitigating the effects of ero-  
11                             sion;

12                                 (II) attenuating the impact of  
13                             coastal storms and storm surge;

14                                 (III) mitigating shoreline flood-  
15                             ing;

16                                 (IV) mitigating the effects of sea  
17                             level rise and extreme tides;

18                                 (V) sustaining, protecting, or re-  
19                             storing the functions and habitats of  
20                             coastal ecosystems; or

21                                 (VI) such other forms of coastal  
22                             protection as the Administrator con-  
23                             siders appropriate; and

24                                 (ii) the performance of the project in  
25                             providing such protection;

1                             (C) to make data collected under the  
2 project available on a publicly accessible inter-  
3 net website of the National Oceanic and Atmos-  
4 pheric Administration; and

5                             (D) not later than one year after the entity  
6 receives the grant, and annually thereafter until  
7 the completion of the project, to submit to the  
8 Administrator a report on—

9                                 (i) the measures described in subparagraph  
10 graph (B); and

11                                 (ii) the effectiveness of the project in  
12 increasing protection of the coastal com-  
13 munity where the project is carried out  
14 through living shorelines techniques, in-  
15 cluding—

16                                 (I) a description of—

17                                     (aa) the project;

18                                     (bb) the activities carried  
19 out under the project; and

20                                     (ee) the techniques and ma-  
21 terials used in carrying out the  
22 project; and

23                                 (II) data on the performance of  
24 the project in providing protection to  
25 that coastal community.

1                   (2) GUIDELINES.—In developing guidelines re-  
2 lating to paragraph (1)(C), the Administrator shall  
3 consider how additional data could safely be col-  
4 lected before and after major disasters or severe  
5 weather events to measure project performance and  
6 project recovery.

7                   (3) STANDARDS.—

8                   (A) IN GENERAL.—Not later than 90 days  
9 after the date of the enactment of this Act, the  
10 Administrator shall, in consultation with rel-  
11 evant offices of the National Oceanic and At-  
12 mospheric Administration, relevant interagency  
13 councils, and relevant nongovernmental organi-  
14 zations, issue standards for the monitoring, col-  
15 lection, and reporting under subsection (d)(2)  
16 of data regarding the performance of living  
17 shoreline projects for which grants are awarded  
18 under this section.

19                   (B) REPORTING.—The standards issued  
20 under subparagraph (A) shall require an eligi-  
21 ble entity receiving a grant under this section  
22 to report the data described in that subpara-  
23 graph to the Administrator on a regular basis.

24                   (g) AUTHORIZATION OF APPROPRIATIONS.—There  
25 are authorized to be appropriated \$50,000,000 to the Ad-

1 ministrator for each of fiscal years 2020 through 2025  
2 for purposes of carrying out this section.

3 (h) DEFINITIONS.—In this section:

4 (1) ADMINISTRATOR.—The term “Administrator” means the Administrator of the National  
5 Oceanic and Atmospheric Administration.

6 (2) ELIGIBLE ENTITY.—The term “eligible entity” means any of the following:

7 (A) A unit of a State or local government.  
8 (B) An organization described in section  
9 501(c)(3) of the Internal Revenue Code of 1986  
10 that is exempt from taxation under section  
11 501(a) of such Code.

12 (C) An Indian Tribe (as defined in section  
13 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5304)).

14 (3) LIVING SHORELINE PROJECT.—The term  
15 “living shoreline project”—

16 (A) means a project that—

17 (i) restores or stabilizes a shoreline,  
18 including marshes, wetlands, and other  
19 vegetated areas that are part of the shore-  
20 line ecosystem, by using natural materials  
21 and systems to create buffers to attenuate  
22 the impact of coastal storms, currents,

1 flooding, and wave energy and to prevent  
2 or minimize shoreline erosion while sup-  
3 porting coastal ecosystems and habitats;

4 (ii) incorporates as many natural ele-  
5 ments as possible, such as native wetlands,  
6 submerged aquatic plants, oyster shells,  
7 native grasses, shrubs, or trees;

8 (iii) utilizes techniques that incor-  
9 porate ecological and coastal engineering  
10 principles in shoreline stabilization; and

11 (iv) to the extent possible, maintains  
12 or restores existing natural slopes and con-  
13 nections between uplands and adjacent  
14 wetlands or surface waters;

15 (B) may include the use of—

16 (i) natural elements, such as sand,  
17 wetland plants, logs, oysters or other shell-  
18 fish, submerged aquatic vegetation, native  
19 grasses, shrubs, trees, or coir fiber logs;

20 (ii) project elements that provide eco-  
21 logical benefits to coastal ecosystems and  
22 habitats in addition to shoreline protection;  
23 and

24 (iii) structural materials, such as  
25 stone, concrete, wood, vinyl, oyster domes,

1           or other approved engineered structures in  
2           combination with natural materials; and  
3           (C) may include a project that expands  
4           upon or restores natural living shorelines or ex-  
5           isting living shoreline projects.

6           (4) STATE.—The term “State” means each of  
7           the several States, the District of Columbia, the  
8           Commonwealth of Puerto Rico, the United States  
9           Virgin Islands, Guam, American Samoa, and the  
10          Commonwealth of the Northern Mariana Islands.

11 **SECTION 1. SHORT TITLE.**

12          *This Act may be cited as the “Living Shorelines Act  
13 of 2020”.*

14 **SEC. 2. MODIFICATIONS TO NATIONAL SEA GRANT COL-  
15           LEGE PROGRAM.**

16          (a) *FINDINGS.*—Section 202(a) of the National Sea  
17          Grant College Program Act (33 U.S.C. 1121(a)) is amended  
18          by inserting “resilience,” after “utilization,” each place  
19          such term appears.

20          (b) *OBJECTIVE.*—Section 202(b) of such Act (33  
21          U.S.C. 1121(b)) is amended by inserting “resilience,” after  
22          “utilization.”.

23          (c) *DEFINITIONS.*—Section 203(4) of such Act (33  
24          U.S.C. 1122(4)) is amended by inserting “resilience,” after  
25          “utilization.”.

1       (d) *DUTIES OF ADVISORY BOARD.*—Section  
2 209(b)(1)(A) of such Act (33 U.S.C. 1128(b)(1)(A)) is  
3 amended by inserting “resilience,” after “utilization.”.

4       (e) *MEMBERSHIP.*—Section 209(c)(1) of such Act (33  
5 U.S.C. 1128(c)(1)) is amended in the fourth sentence by in-  
6 serting “resilience,” after “utilization.”.

7       (f) *AUTHORIZATION OF APPROPRIATIONS.*—Section  
8 212(a) of such Act (33 U.S.C. 1131(a)) is amended by add-  
9 ing at the end the following:

10           “(3) *COASTAL HAZARD REDUCTION ACTIVITIES*  
11           *FOR FISCAL YEARS 2021 THROUGH 2024.*—In addition  
12           to other amounts authorized to be appropriated to  
13           carry out this title, there are authorized to be appro-  
14           priated \$25,000,000 for each of fiscal years 2021  
15           through 2024 for competitive grants for cooperative  
16           research, implementation, and extension regarding  
17           natural, nature-based, and restoration approaches to  
18           increasing the resilience of shorelines.”.

19 **SEC. 3. MODIFICATIONS TO RESOURCE MANAGEMENT IM-**  
20           **PROVEMENT GRANTS TO COASTAL STATES.**

21       (a) *OBJECTIVES FOR RESOURCE MANAGEMENT IM-*  
22 *PROVEMENT GRANTS.*—Section 306A(b) of the Coastal Zone  
23 Management Act of 1972 (16 U.S.C. 1455a(b)) is amended  
24 by adding at the end the following:

1           “(5) *The design and implementation of climate-  
2       resilient living shoreline projects and the application  
3       of innovative uses of natural materials and systems  
4       to protect coastal communities, habitats, and natural  
5       system functions.”.*

6           (b) *REDUCED MATCHING REQUIREMENT FOR CERTAIN  
7 COASTAL STATES.*—Section 306A(d) of such Act (16 U.S.C.  
8 1455a(d)) is amended by adding at the end the following:  
9           “(4) *The Secretary may reduce or waive the matching  
10 requirement under paragraph (1) for an eligible coastal  
11 state if—*

12           “(A) *the eligible coastal state submits to the Sec-  
13 retary in writing—*

14           “(i) *a request for such a reduction or waiv-  
15 er and, in the case of a request for a reduction,  
16 the amount of the reduction; and*

17           “(ii) *a justification for why the state cannot  
18 meet the matching requirement; and*

19           “(B) *the Secretary agrees with the justifica-  
20 tion.”.*

21           (c) *MONITORING AND REPORTING ON PERFORM-  
22 ANCE.*—Section 306A of such Act (16 U.S.C. 1455a) is  
23 amended by adding at the end the following:

24           “(g) *The Secretary shall require each eligible coastal  
25 state (or a representative of the state) receiving a grant*

1 under subsection (b)(5) to carry out a living shoreline  
2 project—

3 “(1) to monitor and collect data on—

4 “(A) the benefits of the project to the coastal  
5 community in which the project is carried out,  
6 including—

7 “(i) mitigating the effects of erosion;

8 “(ii) attenuating the impact of coastal  
9 storms and storm surge;

10 “(iii) mitigating shoreline flooding;

11 “(iv) mitigating the effects of sea level  
12 rise and extreme tides;

13 “(v) sustaining, protecting, or restor-  
14 ing the functions and habitats of coastal  
15 ecosystems; or

16 “(vi) such other forms of coastal pro-  
17 tection as the Secretary considers appro-  
18 priate; and

19 “(B) the performance of the project in pro-  
20 viding such benefits;

21 “(2) to make data collected under the project  
22 available on a publicly accessible internet website of  
23 the National Oceanic and Atmospheric Administra-  
24 tion; and

1           “(3) not later than one year after the eligible  
2       coastal state receives the grant, and annually there-  
3       after until completion of the project, to submit to the  
4       Secretary a report including—

5           “(A) the data described in paragraph (1);  
6           “(B) an assessment of the ultimate effective-  
7       ness of the project in increasing coastal protec-  
8       tion in the coastal community in which the  
9       project is carried out, including a description  
10      of—

11           “(i) the project;  
12           “(ii) the activities carried out under  
13      the project; and

14           “(iii) the techniques and materials  
15      used in carrying out the project; and  
16           “(C) a detailed description of any defi-  
17       ciencies or failures of the project to perform as  
18       originally intended.

19           “(h) In making eligibility determinations for grants  
20      under subsection (b)(5), the Secretary shall take into ac-  
21      count the successes or failures of each grantee demonstrated  
22      by the compliance of the grantee with the requirements  
23      under subsection (g).”.

24           (d) AUTHORIZATION OF APPROPRIATIONS.—Section  
25      318(a) of such Act (16 U.S.C. 1464(a)) is amended—

1                   (1) in paragraph (1)(C), by striking “and” at  
2                   the end;  
3                   (2) in paragraph (2)(C), by striking the period  
4                   at the end and inserting “; and”; and  
5                   (3) by adding at the end the following:  
6                   “(3) for grants under section 306A(b)(5),  
7                   \$25,000,000 for each of fiscal years 2021 through  
8                   2024.”.
